TO BE HELD ON SEPTEMBER 28, 2023**

**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY
MATERIALS FOR THE ANNUAL MEETING**

**This Proxy Statement and Notice of Annual Meeting are available at:

Meeting Information. The Board of Trustees (“Board” and Board members are referred to as “Trustees”) of MainStay MacKay DefinedTerm Municipal Opportunities Fund (“Fund”) is soliciting your proxy to be voted at the Annual Meeting of Shareholders to be held on September 28, 2023 beginning at 9:00 a.m., Eastern time, at the offices of New York Life Investment Management LLC (“New York Life Investments”) located at 51 Madison Avenue, New York, New York 10010 and/or at any adjournments of the meeting (“Meeting”). Participating in the Meeting are holders of common shares of beneficial interest (“Common Shares”).

General Voting Information. You may provide proxy instructions by completing, signing and returning the enclosed proxy card (“Proxy Card”) by mail in the enclosed envelope. The persons designated on the Proxy Card as proxies will vote your shares as you instruct on each Proxy Card. If you return a signed Proxy Card without any voting instructions, your shares will be voted “**FOR**” or “**FOR ALL**” of the Class II Trustee nominees for which your shares are eligible to vote in accordance with the recommendation of the Board. The persons designated on the Proxy Card as proxies will also be authorized to vote (or to withhold their votes) in their discretion on any other matters which properly come before the Meeting. They may also vote in their discretion to adjourn the Meeting. If you sign and return a Proxy Card, you may still attend the Meeting to vote your shares in person. If your shares are held of record by a broker and you wish to vote at the Meeting, you should obtain a legal proxy from your broker and present it at the Meeting. You may revoke your proxy at any time before the Meeting by: (i) notifying Computershare Fund Services in writing at P.O. Box 808000, Louisville, Kentucky 40233-9890; (ii) submitting a later signed Proxy Card; or (iii) voting your shares at the Meeting. If your shares are held in the name

of your broker, you will have to make arrangements with your broker to revoke any previously executed proxy.

Each shareholder may cast one vote for each full share, and a partial vote for each partial share, of the Fund that they owned of record on July 6, 2023 (“Record Date”). Exhibit A shows the number of shares of the Fund that were outstanding on the Record Date and Exhibit B lists the shareholders who owned 5% or more of the outstanding shares of any class of the Fund on that date. It is expected that this Proxy Statement and the accompanying Proxy Card will be first mailed to shareholders on or about July 28, 2023.

This proxy solicitation is being made primarily by mail, but may also be made by officers or employees of the Fund or New York Life Investment Management LLC (“New York Life Investments” or “Manager”) or its affiliates, through telephone, facsimile, or other communications. The Fund has also engaged a professional proxy solicitation firm to assist in the distribution and solicitation of proxies. The cost of the services of the professional proxy solicitation will be borne by the Fund. Please see the section titled “Other Information: Proxy Solicitation” for information regarding the professional proxy solicitation firm. The Fund may reimburse banks, brokers or dealers for their reasonable expenses in forwarding soliciting materials to beneficial owners of the Fund’s shares.

The presence in person or by proxy of holders of thirty-three and one-third percent (33⅓%) of the Fund’s outstanding shares entitled to vote at the Meeting shall constitute a quorum. In the event that a quorum is not present or if sufficient votes are not received consistent with the Board’s recommendation regarding the proposal, management may propose an adjournment or adjournments of the Meeting. The Meeting, whether or not a quorum is present, may be adjourned for any lawful purpose by the Chairman of the Board, the Trustees (or their designees) or a majority of the votes properly cast upon the question of adjourning the Meeting, either in person or by proxy.

Abstentions and Broker Non-Votes. Broker non-votes arise when shares are held in street name and the broker does not receive voting instructions from the beneficial owner. Broker non-votes can occur when a meeting has (i) a “routine” proposal, such as the election of trustees, where the applicable stock exchange permits brokers to vote their clients’ shares in their discretion, and (ii) a “non-routine” proposal, such as a change to the Fund’s fundamental investment policy, where the applicable exchange does not permit brokers to vote their clients’ shares in their discretion. The shares that are considered to be present as a result of the broker discretionary vote on the routine proposal but do not vote on the non-routine proposal are called “broker non-votes.” Because the proposal presented at the Meeting is considered to be a “routine” voting item (*i.e.*, the election of the Class II

Trustees), the Fund does not expect to receive any broker non-votes or abstentions. In the unlikely event that it does, abstentions and broker non-votes will be included for purposes of determining whether a quorum is present for the Fund at the Meeting. They will be treated as votes present at the Meeting but will not be treated as votes cast. Therefore, they would have the same effect as a vote “AGAINST” the proposal requiring a majority of votes present.

Copies of the Fund’s most recent annual report and semi-annual report, including financial statements, are available upon request, at no charge, by writing to NYLIFE Distributors, LLC Attn: New York Life Investments Marketing Dept., 30 Hudson Street, Jersey City, New Jersey 07302 or by calling toll-free 855-456-9683.

THE PROPOSAL: TO ELECT CLASS II TRUSTEES OF THE FUND

The Fund's Amended and Restated Agreement and Declaration of Trust provides that the Board shall be divided into three classes of Trustees, consisting, as nearly as may be possible, of one-third (1/3) of the total number of Trustees constituting the entire Board. Each class serves for three years with one class being elected each year. Each year the term of office of one class will expire. Alan R. Latshaw was elected by shareholders of the Fund as a Class II Trustee at the 2020 annual meeting of shareholders of the Fund. Karen Hammond was appointed to the Board as a Class II Trustee on December 31, 2021. The terms of office of the Class II Trustees expire on the date of the Meeting.

The Board, including the Trustees who are not "interested persons" of the Fund (as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "1940 Act")) upon the recommendation of the Fund's Nominating and Governance Committee, which is comprised solely of Trustees who are not "interested persons" of the Fund (the "Independent Trustees"), have nominated Mr. Latshaw and Ms. Hammond to serve as Class II Trustees for a three-year term expiring in 2026 or until their successors are duly elected and qualify. The nominees have indicated an intention to serve if elected and have consented to be named in this Proxy Statement.

It is the intention of the persons named on the enclosed Proxy Card to vote for the Class II Trustee nominees for a three-year term. The Board knows of no reason why a nominee would be unable to serve, but in the event of any such unavailability, the proxies received will be voted for such substituted nominees as the Board may recommend. Each of the current Trustees is an Independent Trustee, with the exception of Naïm Abou-Jaoudé. The names of the Fund's nominees for election as Class II Trustees and each other Trustee of the Fund, their years of birth, position(s) held with the Fund, principal occupations during the past five years and other directorships held by the nominee or Trustee are provided in the tables below. Information is provided as of June 30, 2023. Unless otherwise noted, the address of each Trustee is c/o New York Life Investments, 51 Madison Avenue, New York, New York 10010.

In addition to its oversight of the Fund, the Board oversees MainStay Funds Trust, The MainStay Funds, MainStay VP Funds Trust, and MainStay CBRE Global Infrastructure Megatrends Term Fund (formerly MainStay CBRE Global Infrastructure Megatrends Fund) and elects the officers of the Fund who are responsible for the day-to-day operations of the Fund. Information pertaining to the Trustees and officers is set forth below. Officers serve a term of one year and are elected annually by the Board of Trustees. A majority of the Trustees are not "interested persons" (as defined by the 1940 Act and rules adopted by the U.S. Securities and Exchange Commission ("SEC") thereunder) of the Fund.

Trustee Qualifications

In evaluating and selecting candidates for the Board, the Board intends to seek individuals who will serve the best interests of the Fund's shareholders and whose attributes will, among other factors, also complement the experience, skills and diversity of the other Trustees and add to the overall effectiveness of the Board. In the evaluation of such candidates, the Board believes that diversity with respect to factors such as background, education, experience, skills, differences of viewpoint, race, gender, national origin, and other factors that contribute to the Board's having an appropriate range of expertise, talents, experiences and viewpoints is an important consideration in the Board's composition.

Board Structure and Leadership

The Board oversees the business and affairs of the Fund as well as key service providers to the Fund, including the services provided to the Fund by the Manager and MacKay Shields LLC ("MacKay Shields" or "Subadvisor"). The Board holds regularly scheduled meetings on a quarterly basis and other meetings on a quarterly and/or an as needed basis. There are seven Trustees, six of whom are considered not to be "interested persons" (as that term is defined in the 1940 Act) of the Fund, the Manager or the Subadvisor ("Independent Trustees") in accordance with rules adopted by the SEC.

The Board has elected an Independent Trustee to serve as its Chairman. The Chairman is responsible for setting the agendas of all regular and special Board meetings, assists in identifying the information to be presented to the Board with respect to matters to be acted upon by the Board, and presides over all Board meetings. In between meetings, the Chairman is responsible for communicating with other Trustees, Fund officers, and personnel of the Manager and other service providers as necessary to enable the Board to carry out its primary responsibility of overseeing the Fund and its operations.

As discussed further below, the Board has established various Committees through which the Trustees focus on matters relating to particular aspects of the Fund's operations, such as valuation of portfolio holdings, investments, risk oversight and compliance, Fund fees and expenses and financial reporting. The Trustees periodically review the effectiveness of the Committee structure and each Committee's responsibilities and membership.

The Trustees believe that the Board's leadership and committee structure is appropriate in light of the nature and size of the Fund because, among other things, it fosters strong communication between the Board, its individual members, the Manager and other service providers, allocates responsibilities among the Committees and permits Committee members to focus on particular areas involving the Fund. In addition, the Committees support

and promote the Independent Trustees in their oversight of the Fund's operations and their independent review of proposals made by the Manager.

Risk Oversight

While responsibility for day-to-day risk management relating to the Fund and its operations resides with the Manager, Subadvisor or other service providers (subject to the supervision of the Manager), the Board actively performs a risk oversight function, both directly and through its Committees, as described below. The Board and its Committees exercise this function through regular and special Board and Committee meetings during which the Board and its Committees meet with representatives of the Manager, the Subadvisor, and other key service providers. In addition, the Board has established a Risk and Compliance Oversight Committee that has the responsibility of coordinating the Board's oversight of the implementation of the risk management and compliance programs of, and related to, the Fund. The Audit Committee also meets regularly with the Fund's independent registered public accounting firm and Principal Financial and Accounting Officer to discuss internal controls and financial reporting matters, among other things. Senior management of the Manager and senior officers of the Fund regularly report to the Board and the Committees on a variety of risk areas relating to the Fund, including, but not limited to, investment/portfolio risks (e.g., performance, compliance, counterparty, credit, liquidity and valuation risks) and operational/enterprise risks (e.g., financial, reputational, compliance, litigation, personnel and business continuity risks), as well as more general business risks. The Board reviews and considers, on an ongoing basis, these reports as well as reports on the Fund's performance, operations and investment practices. The Board also conducts reviews of the Manager in its role in managing the Fund's operations. In addition, the Board has engaged independent counsel to the Independent Trustees and consults with such counsel both during and between meetings of the Board and the Committees.

The Board and the Risk and Compliance Oversight Committee also meet regularly with the Fund's Chief Compliance Officer ("CCO"), who reports directly to the Board. The CCO has responsibility for, among other things, testing the compliance procedures of the Fund and its service providers. The CCO regularly discusses issues related to compliance and provides a quarterly report to the Board regarding the Fund's compliance program. In order to maintain a robust risk management and compliance program for the Fund, the Board and the Risk and Compliance Oversight Committee also regularly review and consider for approval, as necessary, the Fund's compliance policies and procedures and updates to these procedures, as well as review and consider for approval the compliance policies and procedures of certain of the Fund's service providers to the extent that those policies and

procedures relate to the operations of the Fund. In addition to the meetings with various parties to oversee the risk management of the Fund, the Board and its Committees also receive regular written reports from these and other parties which assist the Board and the Committees in exercising their risk oversight function.

The Board oversees the Fund's liquidity risk (defined by the SEC as the risk a Fund could not meet requests to redeem shares issued by the Fund without significant dilution of remaining investors' interests in the Fund) through, among other things, receiving periodic reporting and presentations by investment and other personnel of New York Life Investments and its affiliates. Additionally, the Fund has implemented a Liquidity Program, which is reasonably designed to assess and manage the Fund's liquidity risk. The Board, including a majority of the Independent Trustees, approved the designation of New York Life Investments as the Liquidity Program's Administrator. The Board will review, no less frequently than annually, a written report prepared by the Liquidity Program's Administrator that addresses the operation of the Liquidity Program and assesses its adequacy and the effectiveness of its implementation.

The Board also benefits from other risk management resources and functions within the Manager's organization, such as the Manager's risk management personnel and the internal auditor of the Manager's parent company. For example, the Board and the Risk and Compliance Oversight Committee meet periodically with the Manager's risk management personnel, including the Manager's Chief Risk Officer ("CRO"). The CRO is responsible for overseeing the measurement and monitoring of operational risks across the Manager's enterprise. In addition, the Board benefits from the work of the Manager's Risk Management Committee, which is comprised of senior personnel of the Manager and seeks to identify and address material risks within the Manager's businesses across its multi-boutique structure. The Board recognizes that it is not possible to identify all of the risks that may affect the Fund or to develop processes and controls to mitigate or eliminate all risks and their possible effects, and that it may be necessary to bear certain risks (such as investment risks) to achieve the Fund's investment objectives. The Board may, at any time and in its discretion, change the manner in which it conducts risk oversight.

The committees of the Board include the Audit Committee, the Contracts Committee, the Investment Committee, the Nominating and Governance Committee and the Risk and Compliance Oversight Committee.

The Investment Committee held 8 meetings during the fiscal year ended May 31, 2023.

The Nominating and Governance Committee held 4 meetings during the fiscal year ended May 31, 2023. A copy of the Nominating and Governance Committee Charter is attached as Exhibit E.

The Nominating and Governance Committee has adopted Policies for Consideration of Trustee candidates (the "Candidate Policy"), which are

formal policies on the consideration of Trustee candidates, including nominees recommended by shareholders. The Nominating and Governance Committee may solicit suggestions for nominations from any source that it deems appropriate, including independent consultants engaged specifically for such a purpose.

Shareholders or shareholder groups submitting candidates to the Nominating and Governance Committee must show that the candidate satisfies the Nominating and Governance Committee qualifications for submission, at the time of submitting the candidate to the attention of the Fund's Secretary, who will provide all qualified submissions to the Nominating and Governance Committee. This submission to the Secretary of the Fund must include: (a) contact information for the nominating shareholder or shareholder group; (b) a certification from the nominating shareholder or shareholder group which provides the number of shares for which the person or group has: (i) sole power to vote or direct the vote; (ii) shared power to vote or direct the vote; (iii) sole power to dispose or direct the disposition of such shares; and (iv) shared power to dispose or direct the disposition of such shares and (v) stating that the shares have been held continuously for at least two years as of the date of the nomination; (c) the candidate's contact information and the number of applicable Fund shares owned by the candidate; (d) all information regarding the candidate that would be required to be disclosed in solicitations of proxies for elections of directors required by Regulation 14A under the Securities Exchange Act of 1934, as amended (the "1934 Act"); and (e) a notarized letter executed by the candidate, stating his or her intention to serve as a candidate and be named in the Fund's proxy statement, if so designated by the Nominating and Governance Committee and the Board. It shall be in the Nominating and Governance Committee's sole discretion whether to seek corrections of a deficient submission or to exclude a candidate from consideration. No nominee recommendations have been received from shareholders.

Risk and Compliance Oversight Committee. The primary purpose of the Risk and Compliance Oversight Committee is to assist the Board in overseeing the policies, procedures, practices and systems relating to identifying and managing the various risks and compliance matters that are or may be applicable to the Fund. The Risk and Compliance Oversight Committee serves as the primary link between significant areas of risk management and compliance that may affect the Fund, the Manager and Subadvisor, and other service providers to the Fund. The Risk and Compliance Oversight Committee also oversees the implementation of the Fund's proxy voting policies and procedures. The Risk and Compliance Oversight Committee shall recognize the risk and compliance oversight roles of other committees of the Board and shall defer to such other committees

with respect to compliance or risk oversight matters that relate specifically to the purposes or responsibilities of such other committees.

The Risk and Compliance Oversight Committee shall not assume any day-to-day compliance or risk management functions or activities. The Fund's Manager, Subadvisor and other service providers ("Fund management") are responsible for the day-to-day implementation, maintenance, and administration of the compliance policies and procedures of the Fund that are required to be reasonably designed to ensure compliance by the Fund and its primary service providers with applicable federal securities laws. The Fund's CCO shall oversee Fund management's execution of its aforementioned compliance responsibilities. Fund management is responsible for the day-to-day implementation, maintenance, and administration of policies, procedures, systems and practices designed to identify, monitor, and control risks to which the Fund is or may be exposed. The CRO shall oversee Fund management's execution of its aforementioned risk management responsibilities. The members of the Risk and Compliance Oversight Committee include: Karen Hammond (Chair), David H. Chow, Susan B. Kerley, Alan R. Latshaw, Jacques P. Perold and Richard S. Trutanic. Officers

The following individuals are officers of the Fund: Jack R. Benintende, Kevin M. Gleason, Kirk C. Lehneis, J. Kevin Gao, and Scott T. Harrington. Exhibit C includes certain information concerning these officers.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act requires the Fund's executive officers, directors and certain persons affiliated of the manager, and persons who own beneficially, directly or indirectly, more than 10% of the Fund's outstanding interests (collectively, the "Reporting Persons"), file Forms 3, 4, and 5 with the SEC, by or on behalf of the Reporting Persons. Reporting Persons are required by SEC regulations to furnish to the Fund copies of all Section 16(a) forms they filed with respect to shares of the Fund. Based solely upon a review of copies of such reports of ownership, as of the date of this Proxy Statement, we believe that the Reporting Persons complied with all applicable Section 16(a) reporting requirements and that all required reports were filed in a timely manner, except that one Form 3 for Mr. Gleason was made late.

Quorum and Required Vote

Thirty-three and one-third percent (33 $\frac{1}{3}$ %) of the Fund's outstanding shares entitled to vote at the Meeting shall constitute a quorum. Provided that a quorum is present at the Meeting, the affirmative vote of a majority of the shares voted is necessary for the election of a Trustee.

THE BOARD RECOMMENDS THAT YOU VOTE “FOR” THE ELECTION OF EACH OF THE CLASS I TRUSTEE NOMINEES

Independent Registered Public Accounting Firm

The firm of PricewaterhouseCoopers LLC (“PwC”) has been selected as the independent registered public accounting firm (“independent auditors”) for the Fund. PwC acted as independent auditors of the Fund for its most recently completed fiscal year and has been appointed as independent auditors for the Fund’s current fiscal year. If a subsequent determination is made that PwC’s objectivity and impartiality has been impaired with respect to the planning for and execution of the Fund’s audit, then the Fund may no longer be able to continue to utilize PwC as the Fund’s auditor and would need to obtain audit services from a different independent registered public accounting firm.

The Audit Committee must approve all audit and non-audit services provided by the Fund’s independent auditors relating to the operations or financial reporting of the Fund. The Audit Committee reviews any audit or non-audit services to determine whether they are appropriate and permissible under applicable law.

The Audit Committee has adopted pre-approval policies and procedures (“Procedures”) to govern the Committee’s pre-approval of (i) all audit services and permissible non-audit services to be provided to the Fund by the independent auditors, and (ii) all permissible non-audit services to be provided by such independent auditors to New York Life Investments and to any entity controlling, controlled by or under common control with New York Life Investments that provides ongoing services to the Fund (collectively, “Service Affiliates”) if the services directly relate to the Fund’s operations and financial reporting. In accordance with the Procedures, the Audit Committee is responsible for the engagement of the independent auditors to certify the Fund’s financial statements for each fiscal year. With respect to the pre-approval of non-audit services provided to the Fund and its Service Affiliates, the Procedures provide that the Audit Committee may annually pre-approve a list of the types of services that may be provided to the Fund or its Service Affiliates, or the Audit Committee may pre-approve such services on a project-by-project basis as they arise. Unless a type of service has received general pre-approval, it will require specific pre-approval by the Audit Committee if it is to be provided by the independent accountant. The Procedures also permit the Audit Committee to delegate authority to one or more of its members to pre-approve any proposed non-audit services that have not been previously pre-approved by the Audit Committee, subject to the ratification by the full Audit Committee no later than its next scheduled meeting. To date, the Audit Committee has not delegated such authority.

The Audit Committee has reviewed and discussed with the management of the Fund and representatives from PwC the audited financial statements for the Fund's last fiscal year. The Audit Committee has discussed with PwC its judgments as to the quality, not just the acceptability, of the Fund's accounting principles and such other matters required to be discussed with the Audit Committee by Statement on Auditing Standards No. 114 (The Auditor's Communication with Those Charged with Governance). The Audit Committee received and reviewed the written disclosures and the letter from PwC required by Public Company Accounting Oversight Board Rule 3526, *Communication with Audit Committees Concerning Independence*, as currently in effect. The Audit Committee also discussed with a representative of PwC the independent auditor's independence. The Board also considered fees received by PwC from New York Life Investments and its affiliates during the last fiscal year in connection with its consideration of the auditors' independence. Based on the foregoing discussions with management and the independent auditors, the Audit Committee recommended to the Board that the aforementioned audited financial statements be included in the Fund's annual report to shareholders for the last fiscal year.

All members of the Audit Committee meet the standard of independence set forth in the listing standards of the NYSE and are not considered to be "interested persons" under the 1940 Act. The Board has adopted a formal charter for the Audit Committee setting forth its responsibilities.

Representatives of PwC are not expected to attend the Meeting, but have been given the opportunity to make a statement if they so desire, and will be available should any matter arise requiring their response.

Audit Fees

For the fiscal year ended May 31, 2023, the aggregate fees billed for professional services rendered by PwC for the audit of the Fund's annual financial statements or services that are normally provided by PwC in connection with statutory and regulatory filings or engagements were \$90,000. For the fiscal year ended May 31, 2022, such audit fees for the Fund were \$83,430.

Tax Fees

The aggregate fees billed for professional services rendered by PwC for tax compliance, tax advice, and tax planning were: (i) \$0 during the fiscal year ended May 31, 2023; and (ii) \$0 during the fiscal year ended May 31, 2022.

All Other Fees

There were no other audit related or other fees paid to PwC by the Fund.

Aggregate Non-Audit fees to the Fund, New York Life Investments and Service Affiliates

The aggregate non-audit fees billed by PwC for services rendered to New York Life Investments (not including any subadvisor whose role is primarily portfolio management and is subcontracted with or overseen by another investment adviser), and any entity controlling, controlled by, or under common control with the adviser that provides ongoing services to the Fund were approximately: (i) \$13.2 million for the fiscal year ended May 31, 2023; and (ii) \$12.5 million for the fiscal year ended May 31, 2022.

AUDIT COMMITTEE CHARTER

I. Formation

The Board of Trustees of each Fund (together, the “Board”) has established an Audit Committee (together, the “Committee”), subject to the terms and conditions of this Charter. This Charter is intended to govern the conduct of the Committee.

II. Purpose

The purpose of the Committee is to oversee: (i) the Funds’ accounting and financial reporting policies and practices; (ii) the Funds’ internal controls and, as appropriate, the internal controls of certain service providers; and (iii) the integrity, quality and objectivity of the Funds’ financial statements and the independent audit thereof, including, but not limited to, oversight of the qualifications and independence of each Fund’s independent auditor.

The Committee will assist the Board in its oversight of the Funds’ compliance with legal and regulatory requirements. The Committee will also report to the Board, if necessary, any relationships between the independent auditor and each Fund, or any other relationships, which come to the Committee’s attention that may adversely affect the independence of the auditor. As part of its purpose, the Committee shall be responsible for the preparation of the report of the Committee as required by the U.S. Securities and Exchange Commission (the “SEC”) to be included in the Funds’ proxy statement.

The function of the Committee is to provide oversight; it is the responsibility of each Fund and each Fund’s investment adviser to maintain appropriate systems for accounting and internal control, and it is the responsibility of each Fund’s independent auditor to plan and carry out a proper audit.

The independent auditor of each Fund shall be directly accountable to the Committee.

III. Membership

The Committee shall be composed of at least three board members. Each member must have been determined not to be an “interested person” (as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (“1940 Act”)) of each Fund (an “Independent Trustee”). In addition, each member shall have the additional qualifications indicated below. The Board, upon the recommendation of the Nominating and Governance Committee, will select the members of the Committee and the chairman of the Committee.

IV. Qualifications of Committee Members

1. Members of the Committee must be members of the Board and may not be officers of the Funds and should be free of any relationships that would interfere with the exercise of independent judgment.

2.
